

The members of the executive committee of the Moselle River 1944 Association have pleasure to present you this DVD.

It recalls the important moments of the 60th anniversary commemorations of the liberation of the Thionville region (FRANCE) between 10 and 17 November 2004.

We hope that the film will bring back for you the memory of the emotional and happy moments we experienced together.

We will never forget what you have done for us in giving us back our freedom.

Thank you for everything.

If you are interested in purchasing further copies for family members or friends, we can supply them for the net price of 28 \$ each, postage included.

Please send us the order form (below) together with a check payable to Moselle River 1944.
